

STAG Analytics LLC

Portfolio Overview

1. Capabilities Statement

Outlines core competencies in legal research, investigative services, courtroom observation, and narrative monitoring. Includes highlighted work from the Karen Read, Aidan Kearney, and Ingolf Tuerk murder cases.

2. Marketing Handout

One-page professional overview of services, client impact, and case examples used for public distribution. Showcases work on courtroom monitoring, livestream surveillance, and legal media engagement.

3. Service Packages & Pricing

Lists hourly and flat-rate service options for fieldwork, legal writing, strategic advisory reports, and digital intelligence monitoring. Real-world applications drawn from all three key cases.
