

STAG Analytics LLC

Legal Investigations & Media Analysis

About Amanda R. Flynn

Amanda R. Flynn is a paralegal and licensed private investigator based in Massachusetts and Rhode Island. As founder of STAG Analytics LLC, she has contributed field-tested intelligence and legal insight to some of the region's most high-profile cases, including the Karen Read, Aidan Kearney, and Ingolf Tuerk trials.

Amanda provides courtroom surveillance, digital media tracking, legal research, and strategic advisory reports to defense teams, journalists, and public accountability campaigns.
